COLLECTION OF MIKA-SAN'S
HEARTWARMING MESSAGES...175

THE STORY UP UNTIL NOW

Mika and Hiro have vowed their eternal love to each other in a mini wedding ceremony in the hospital ward. Believing in a miracle recovery, full of hope for the future Mika believed they'd be together forever. Mika carried the woolen cap she knit with these emotions and the developed photos to where Hiro was... However, Mika's wishes could not reach him; Hiro had passed away. The person she loved, Hiro was gone... In front of this cruel reality... Mika...?!

This story is a fantasy based on a true story. The characters or groups portrayed were not intended to resemble any actual persons. Underage drinking and smoking are prohibited by law.

AT THIS

.....

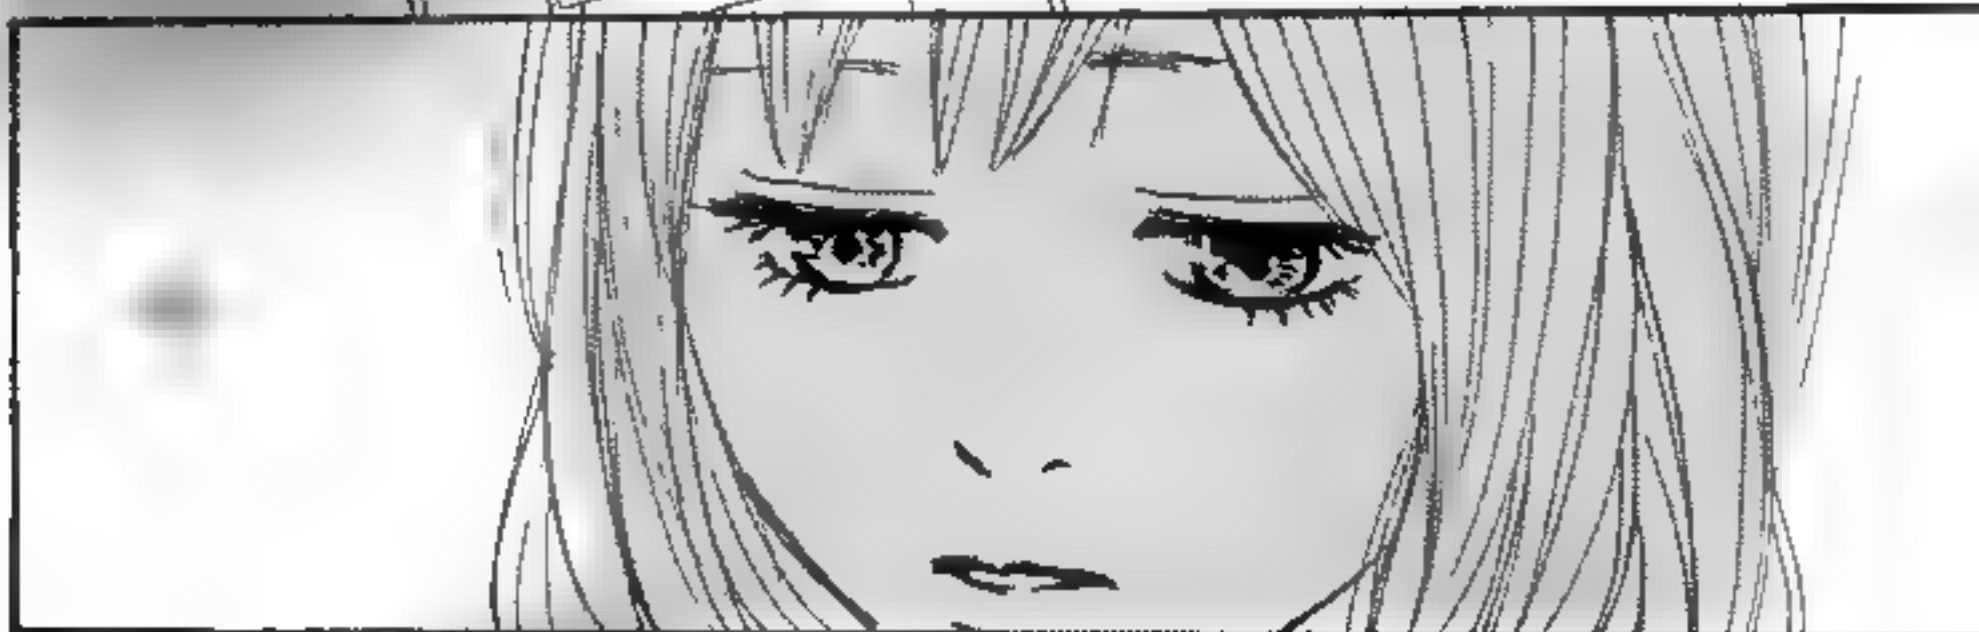

THAT GUY...
HIRO IS...

IT CAN'T
BE HELPED
THAT YOU
DON'T WANT
TO FACE
THE TRUTH
BUT

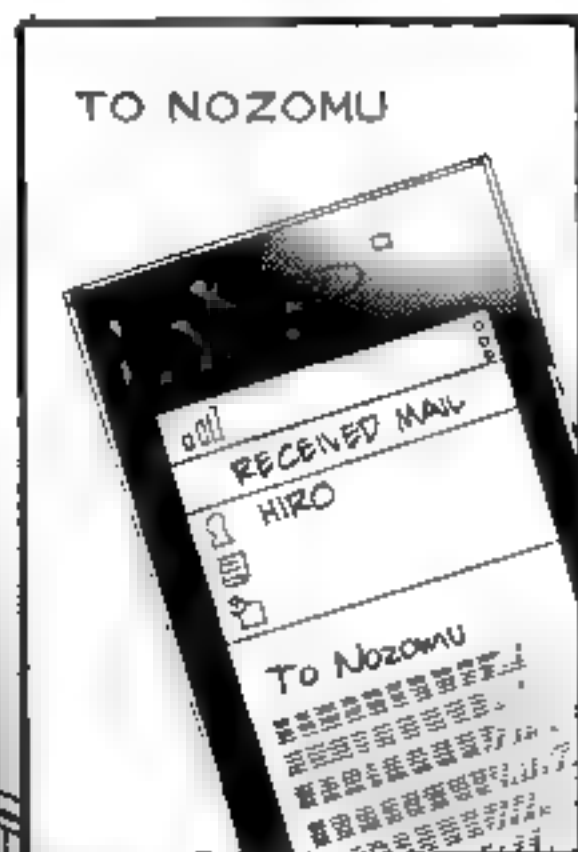

THE LAST
MESSAGE I
RECEIVED
FROM HIM.

THIS IS

I MIGHT DIE, SOON.

I CAN SOMEWHAT FEEL IT.

TRUTHFULLY, I DON'T WANT TO LEAVE
MIKA ALONE, NOR DO I WANT TO DIE

IF I DIE, MIKA'LL
BE ALONE

BUT, THIS CAN'T BE HELPED.

IF I DIE, I THINK MIKA WHO TENDS
TO FEEL LONELY WILL SURELY CRY
A LOT AND FEEL REALLY DOWN

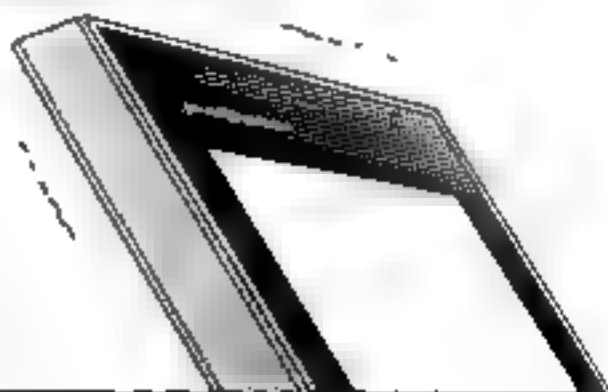

THAT'S WHY, IF I DIE,
NOZOMU, I WANT YOU DO
SUPPORT MIKA. I WANT YOU
DO TEACH MIKA THE TRUTH.

AND THEN, IF THERE IS A TIME WHERE
THERE APPEARS ANOTHER PERSON
WHO CAN PROTECT MIKA, I WANT YOU
TO ENTRUST MIKA TO HIM

EVEN THOUGH I AM
VERY FRUSTRATED
THAT I AM UNABLE TO
PROTECT MIKA, AS IT'S
MY FAULT THAT MIKA IS
LEFT BY HERSELF,
SEEING HER LONELY IS
MORE PAINFUL THAN
ANYTHING ELSE.

LASTLY I WANT TO
TELL YOU THAT YOU
WERE THE BEST FRIEND
I HAD, I WAS REALLY
HAPPY! THANK YOU FOR
EVERYTHING

BUT,
THAT GUY

HAS
ALREADY
DIED...

I KNOW
IT'S HARD

TO BEHAVE
LIKE THIS...

THE

7th of April

I WAS TOLD I HAVE CANCER
I WENT TO THE HOSPITAL BECAUSE MY
THROAT HAS BEEN HURTING RECENTLY.
THAT'S WHY I'M

NO
DATE

7th of April

I was told I have
cancer today.

That's why I'm
starting a diary.
I'll write in it until I die.

I went to the
hospital because
my throat has
been hurting
recently and I
found it was
cancer.

I don't want to be hospitalized
before I graduate so I'm
commuting to the hospital

to start my treatment...

A friend from class told me that Mika and Nozomu seem to have kissed

8th of April

I've somewhat noticed Nozomu's feelings

but I was more upset Mika didn't tell me about it

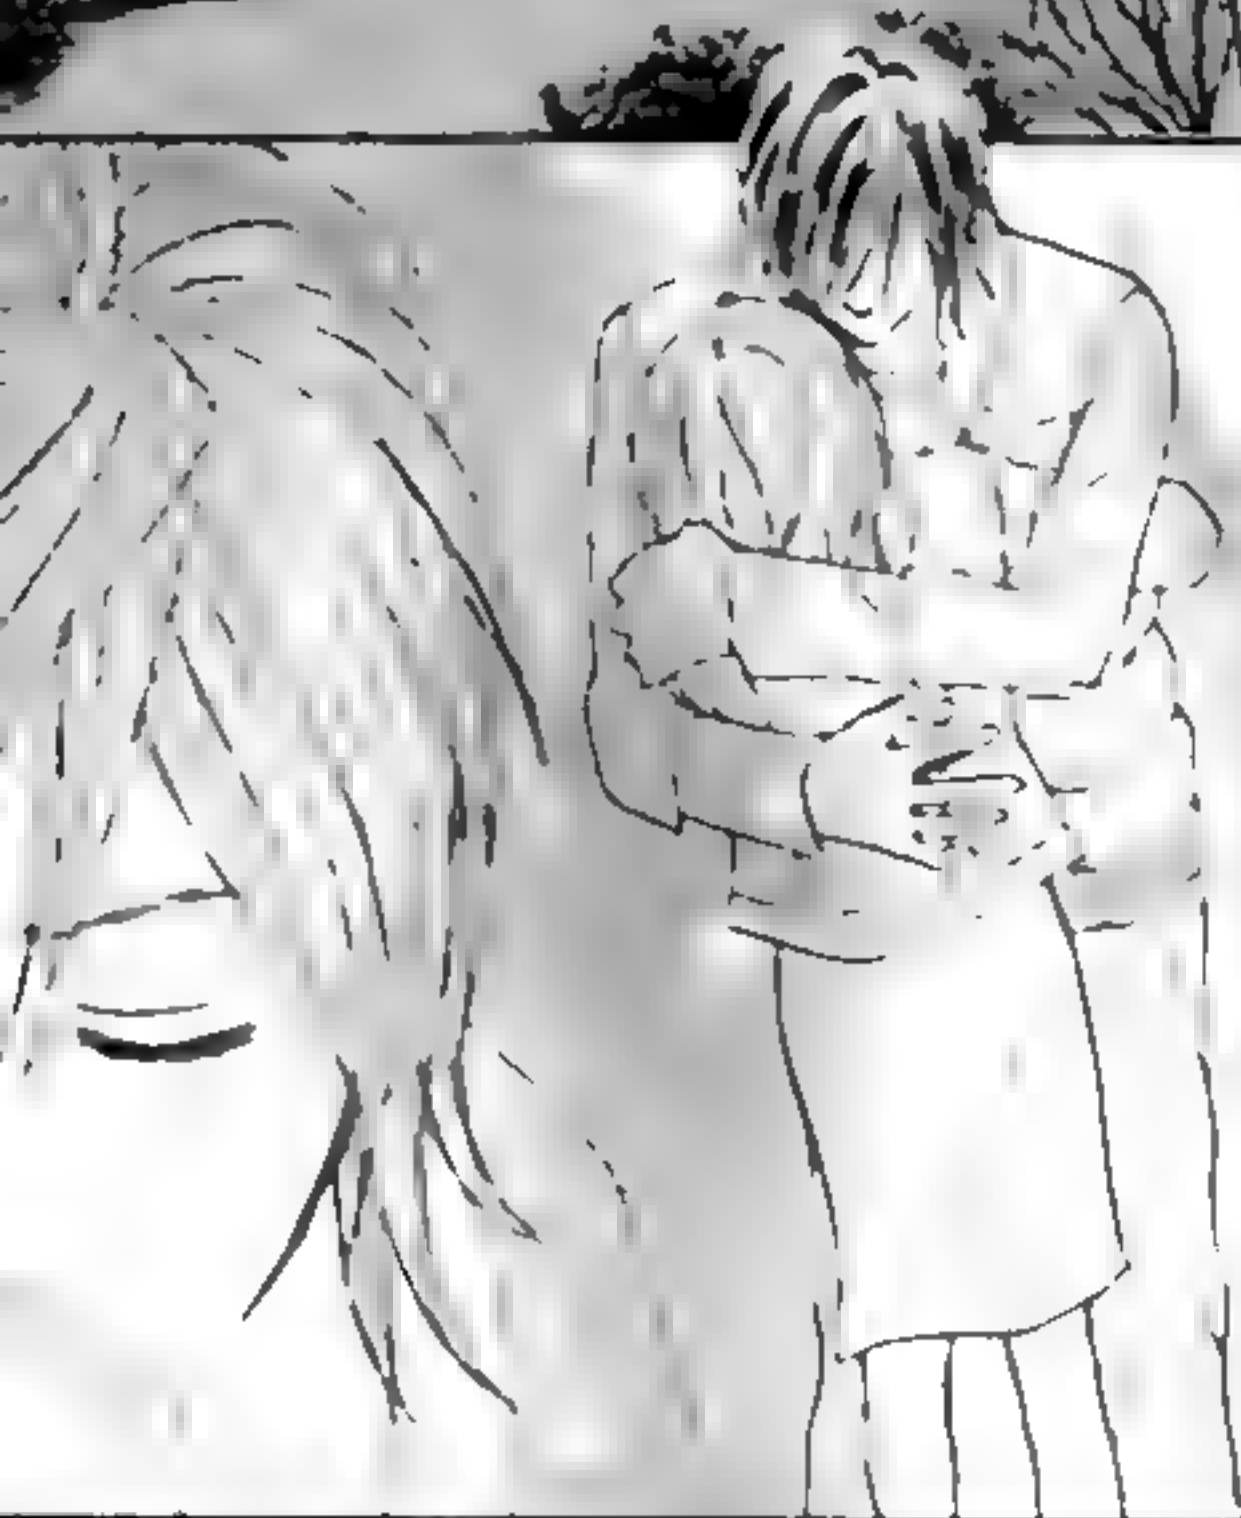

9th of April

I told Mika we were breaking up

But I like Mika after all

so I ended up meeting her
in the middle of the night

I didn't really want to break
up. However I won't be able
to live for a long time.

I don't want to break up
after all, I thought.

12th of April

I've been thinking
for all this time

or to give Mika happiness.

whether to stick to
my own feelings

What should I do...?

17th of April

I'm the worst.

Mika was there and I seem
to have attacked her.

I smoked thinner with a
friend from my hometown,
when I regained consciousness

so I attacked a girl close to me.

I wanted to save her.

I thought it might be best
if Mika came to hate me

Thinking back, that method was the worst.

22nd of April

18th of April

I decided to break up with Mika

Mika came to my house.

To tell you the truth, I was really happy.

This awful me does not have the right to protect Mika.

I, who might die sometime soon, does not have the right to go out with Mika.

But

I have to make her hate me.

When I commanded her to do something, she really did it.

What are you doing? I'm the worst! I attacked you. Tell me you hate me already.

When I was going to burn her with a cigarette, I saw the scar on Mika's wrist.

I've indeed hurt Mika who I dumped, many times.

I got a message from Mika at night.

Should I go to the riverbed or not...?

23rd April — ...

I'm really the worst, I don't want to part with her

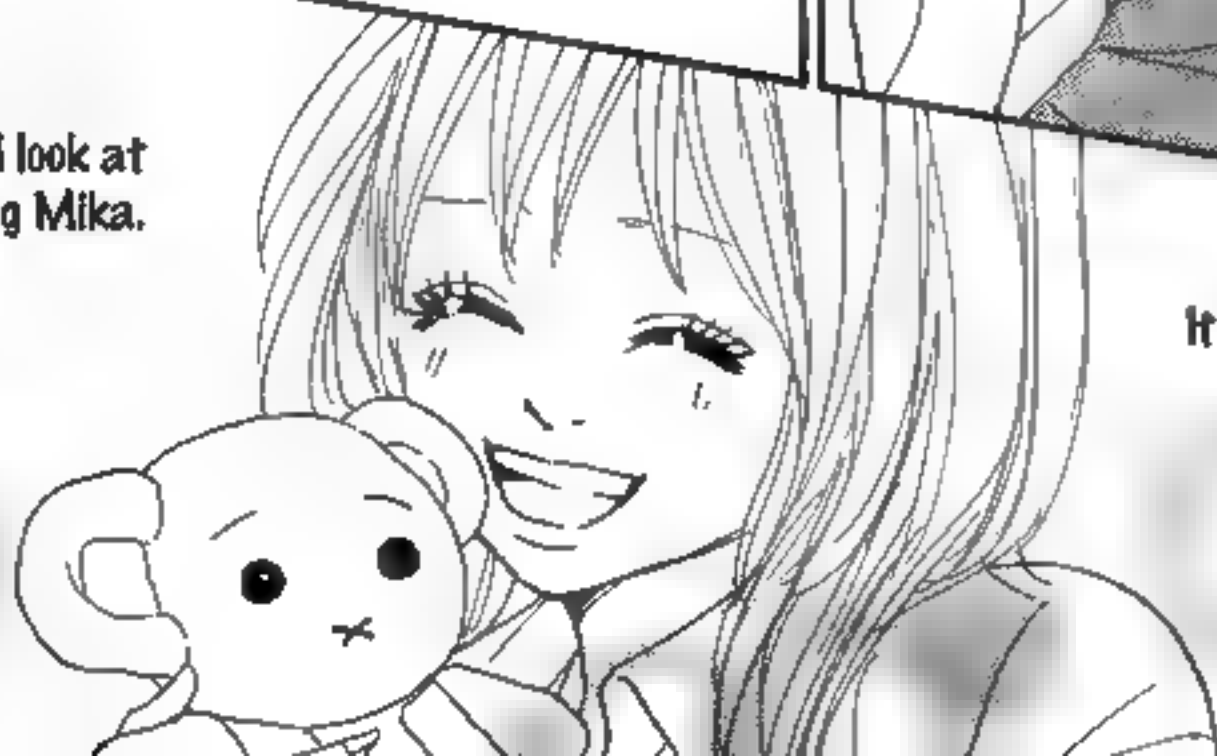

but I can't leave
Mika who feels
lonely easily alone
someday.

I ended up going
to that riverbed.

No matter how I look at
the happy looking Mika.

It was painful.

I'm really sorry...

Sorry Mika.

When my friend Serina confessed to me, I thought it was a good chance to get Mika to hate me so

I ended up going out with her.

26th of April

I saw Mika.

Getting treatment at the hospital

is difficult

30th of April

Mika talked to a guy yesterday.

I sent a message to Mika.

I did something half-hearted.

6th May

I broke up with Serina;

I found out she had another guy.

I passed her on bike
with Serina sitting in
the back seat.

Sorry Mika...

There were times when I was in a
bad mood from the treatment, even
though I knew it wasn't Mika's fault
I burst out in anger at her.

Even now...

Mika sang the song we used to
listen to a lot together on stage.

Was it a song we used to
listen to a lot together on stage?

27th of October

I was confessed to a girl called Miyabi.

I sung it in the corridor as well,

even though I didn't mean for it to get heard by Mika.

But I don't want to forget Mika.

I'm the worst guy.

26th of November :

I haven't been well lately.
I've been in hospital
practically everyday.

I'm tired.
I wonder if Mika's caught a cold?

12th of November

Our School Trip.

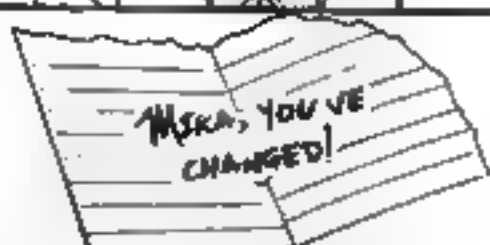

It was boring, really boring.
I wanted to turn around to face Mika.

14th of December

I'm having supplementary lessons.
Mika's here as well.

I gathered up my courage
and threw Mika a letter.

On our way back she told me she felt happy.

I wanted to chase after her

but I can't do it.

It seems Mika already hates me now.

24th of December

I rejected Miyabi's invitation
on Christmas Eve.

I stocked up on gloves and
snacks. I brought enough to last
me until I turned 60, though I
don't know if I'll live that long.

1st of January

A new year has come.

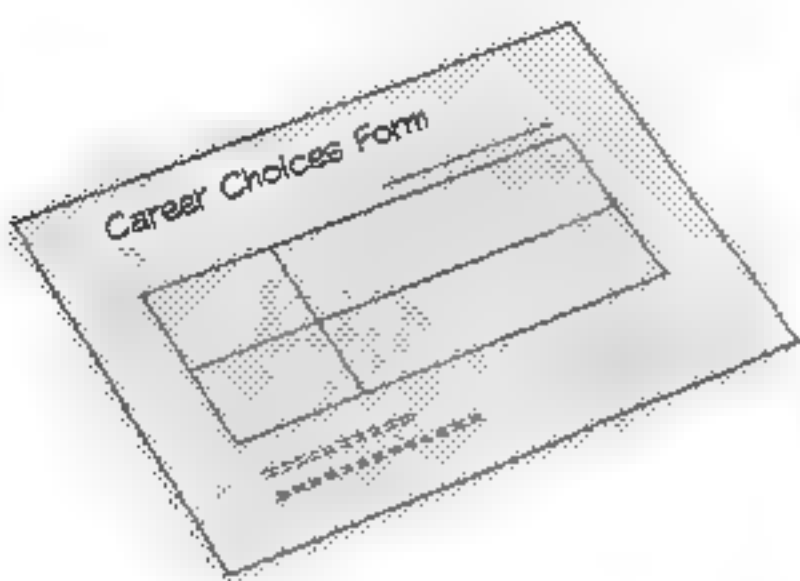

I wonder if I'll live through
this year as well?

I went grave visiting, it
seems Mika didn't go.

15th of April

I was asked about my career choice from the school, I will be hospitalized on the day of my graduation.

I wanted to go to a vocational school but it can't be helped.

22nd of March

The tumor has spread to my feet.

5th of February

It's difficult going to the hospital, I may have to get hospitalized.

2nd of June

It's been a year since I parted with Mika:
I went to the riverbed for no reason.

21st of September

I saw Mika talking to a guy in front of the school gate.

Is he her boyfriend?

But that's a good thing.
I hope that guy can bring Mika happiness,
but I felt a bit lonely.

23rd of August

It's hot, I'm off to the hospital...

End of September

I broke up with Miyuki. She was annoying, telling me to throw out the baby's picture, so we fought. Well it's also my fault for using her to get closer to Mika.

16th of October
Could it be a side effect of my medicines? My head started hurting!!!

24th of November. I met with Mika.

I was so happy. I wanted to hug her.

I started to think about the future and my future now.

I met the happy Mika who had forgotten about the baby.

27th of January

I started the graduation ceremony practice to prepare for my graduation.

1st of January

I started to think about Mika. I hope she will accept me.

1st of March. Our graduation ceremony.

2nd of March

Whilst looking through the graduation album, I downloaded the pictures with Mika.

I was happy, I really don't know when to give up.

I talked to Mika. I was also about to tell her about my illness again.

She also returned the ring, it's a perfect breakup now,

even though I still like her...

I'll be hospitalized from tomorrow.

I'm bringing the baby's picture and this diary with me.

* T/N. fried meat

20th of September

Ah, I want to eat Yakiniku*.

25th of September

I want to eat sushi after all.

6th of May

It might be better if I just died now.

18th of June

The hospital food is awful. Have I started wanting to eat Mika's carrots?

20th of April

I want to go back home.

22nd of October

Is there a point for me to
continue living sluggishly
like this?

4th of November

Has my hair stopped growing? I
wonder if Mika has caught a cold.

20th of November

The tumor is hurting my body
has become noticeably thinner.

24th of December

I asked for Nozomu to visit
the baby's grave for me.

I felt ashamed of my helpless self;
I wonder if Mika visited the grave?

12th of December

The snow is
amazing, I want
to go outside.

27th of December

An unbelievable thing happened;

Mika had a ring on her finger and she seemed happy. I was glad but it was also a little painful.

9th of February

I told Mika how I felt.

When you look at me
I wish you knew how I feel about you. About me.

But when you I want to be closer to
I know I can't have what I don't
want to be separated from you forever.

It's really, really hard.

I'll definitely

get better...

10th of February
After that day,
Mika came to visit
me everyday.

21st of June

Everyday is fun!

I was so happy, I thought it would
be ok even if I died on the spot.

10th of August,

Mika's eyes were swollen. Did she cry again? 'Cause she's a cry baby...

18th of August,

Mika brought some Orange Caramels, they were unexpectedly tasty.

She also brought a camera; I'll use this to take heaps of pictures of Mika's face.

12th of October,

I want to get discharged quickly.

26th of October,

If I start feeling unwell, I feel better when I eat some orange caramels.

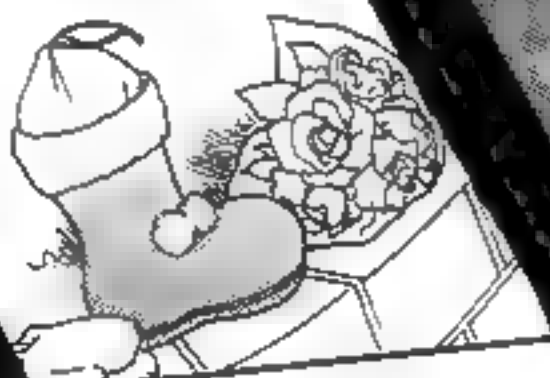

5th of November,

"Mika'n' Caramels are the best!"

*T/N: The word used for orange caramels is mikan & carameru so this is Hiro playing on words, Mikan is really a mandarin but mandarin caramels just sound weird in English so orange caramels would be the more suitable translation

24th of December

Mika let me visit the baby's grave through a video call. It was the best present ever. I cried a bit. If I can get discharged, I'll definitely give her something in return.

9th of January

Nozomu told me that tomorrow is the Coming of Age Ceremony. We also decided to hold a mini wedding for Mika and I.

5th of May

I don't want to die.

I want to live more.

10th of January

Today was the coming of age ceremony. Mika wearing a Kimono was so cute. We held the wedding ceremony as planned and we exchanged rings as well. I want to enter our names to the family register quickly.

12th of August

Will I die?

23rd of August

I threw up and my head hurts.

12th of September

I got a permit to leave the hospital for 3 days.

15th of September

I met Mika outside the hospital
for the first time in ages.

We went to our school together.

The words I wrote on the blackboard of the library still remain.

HERE YOU
I WAS VERY

I'd be troubled if the person who wrote
that wasn't Mika so I didn't ask.

We went to the river bed as
well, I want to go there again
in the snowy season.

I let Mika see my weak side, how uncool.

Mika cried as well.

14th of October
